

Application For A Hunting Lease License For A Wildlife Management Association Area (WMAA)

WMAA Name: ___ Simms Creek Wildlife Management Association ___ 2017-2018 ___ Number of Owners: _____

WMAA County: ___ Mills & Lampasas _____ Total Acreage Included: _____

Wildlife Management Association Area Operator:

Name: Damon W. Holditch _____

We, the undersigned do hereby make application for a Hunting Lease License for a Wildlife Management Association Area. We understand that a Wildlife Management Association Area Hunting Lease License is required to be obtained by each landowner that leases, for hunting purposes, a tract of land, which is a part of a licensed Wildlife Management Association. Each separate, noncontiguous tract of land, including tract under the ownership of one individual, in or within 1/2 mile of the Wildlife Management Association Area boundary is required to be licensed. We also understand that the applicant must: ① prepare a wildlife management plan; ② submit harvest data; and ③ conduct wildlife management plan activities annually. By our signatures affixed below, we hereby certify that the above named Wildlife Management Association Area meets the requirements set forth above.

Each individual landowner's personal information and signature required below:
